## **Purpose**

The purpose of this policy and procedure is to outline Kingsway College's approach to ensuring it only issues qualifications, statements of attainment and records of results to students who have completed all requirements of the program they are enrolled in.

It outlines the systems in place to ensure certification is issued correctly and only after students have fully demonstrated competence against the required units or modules.

This complies with many of the components of Standard 3 of the Standards as well as Schedules 4 & 5.

# **Policy**

#### 1. Certification issuance

In accordance with the Standards, Kingsway College issues AQF certification documentation only to students who have been assessed as meeting the requirements of a unit, module, qualification or course as specified in the relevant Training Package or VET Accredited Course.

All AQF certification documents issued by Kingsway College will meet the requirements of Schedule 5 of the Standards, as well as the requirements of the National AQF Qualifications Issuance Policy.

Certification documents will be issued within 30 days of the student being assessed as meeting the requirements of the Course, providing that all course fees have been paid.

#### 2. Authenticity

To ensure authenticity of our certification documents and to ensure they cannot be fraudulently reproduced, our certification documents:

- Include an individual certificate number on them that can be authenticated against our database.
- Are printed on thermal paper that, when copied, will display the word COPY in the background and has heat-sensitive ink on the reverse side which disappears when rubbed.

Members of the public are welcome to contact our office to confirm the details of any qualification, statement of attainment or record of results issued by Kingsway College. The person making the enquiry must provide the details of the document including student name, qualification or unit details, issue date and document number.

This information is published in the *Student Handbook* and Kingsway College's website to ensure members of the public have the information they need to authenticate our certification documents.

#### 3. Record keeping

Kingsway College:

- Retains a register of AQF qualifications it is authorised to issue and of all AQF qualifications issued, in its student management system.
- Retains records of AQF certification documentation issued for a period of 30 years, on its student management system.
- Reports the AQF Qualifications issued to ASQA on a regular basis as required by ASQA.

#### 4. Unique Student Identifiers (USIs)

Kingsway College:

- Will not issue AQF certification documentation to an individual without being in receipt of a verified USI for that individual, unless an exemption applies under the Student Identifiers Act 2014.
- Unique Student identifiers will not be included on a Statement of Attainment or a Testamur.

## 5. Reissuing

Current and past students can request a copy of their certification documents at any time. There may be an additional cost for re-issuance, as detailed in the Fees and Refunds Policy & Procedures.
